Product	Specifications
	Insect Trap NFT215SS Stainless Steel (304 grade) Glue Board Insect Trap • Dimension : 18.9" x 2.2" x 12.6" • UVA Lamp : 18-inch-long, 15W X 2 nos • Power Consumption : 35 W Approx. • Mounting Option : Wall Mounting • Cabinet : Stainless Steel 304 • Glue board : 1 number along with unit • Warranty: One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application Area - Pharmaceutical Companies, Sea Food Plant, Restaurants, Hotels, Chemical Warehouses, etc...
	Insect Trap NFT315SS Stainless steel (304 Grade) Glue Board Insect Trap • Dimension : 18.9" x 2.2" x 12.6" • UVA Lamp : 18-inch-long, 15W X 3 nos • Power Consumption : 50W Approx. • Cabinet : Stainless Steel 304 • Mounting Option : Wall Mounting • Glue Board : 1 number along with unit • Warranty: One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application Area - Pharmaceutical Plant, Chemical Plant, Restaurant, Hotels, Sea food Plant, food Warehouses , etc...
	FGBB01 Insect Trap glue Board - FGBB01 Colour- Black Size- 43 X 29.5 cm Suitable for NFT215/NFT315 machines

	Insect Trap NFT315 Glue Board Insect Trap Cabinet- GI body with Powder Coated • Dimension : 18.9" x 2.2" x 12.6" • UVA Lamp : 18-inch-long, 15W X 3 nos • Power Consumption : 50 W Approx. • Input current :230 V, 50 Hz • Colour : Silver & black Combination • Mounting Option : Wall Mounting • Glue Board : 1 Number along with unit • Warranty: One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application Area - Restaurant, Hotel, Cafeteria , Pub, Warehouse, Food Processing Area, Food Packing Area, Kitchen, Hospital, Reception, etc...
	FL Warrior 30 (White) Glue Board Insect Trap Cabinet- GI Metal with Powder Coated -Rust Proof Material. • Dimension : 19" x 2.7" x 11.5" • UVA Lamp : 18-inch-long, 15W X 2 nos • Power Consumption : 30 W Approx. • Input Voltage- 220-240 V, 50HZ • Current- 5A, single Phase • Colour : white colour & black combination • Mounting Option : Wall Mounting • Weight- 3.04 kg • Glue Board- 1 number along with unit • Warranty- 1 year warranty against any kind of manufacturing defects , Except UVA Lamps Application Area - Restaurants, Hotel, Food Processing Area, Food Packing Area, Pub, Office, Reception,Hospital, Warehouse HSN-85167920
	FL Warrior 45 (White) Glue Board Insect Trap Cabinet- GI Metal with Powder Coated -Rust Proof Material. • Dimension : 19" x 2.7" x 13" • UVA Lamp : 18-inch-long, 15W X 3 nos • Power Consumption : 45 W Approx. • Input Voltage- 220-240 V, 50HZ • Current- 5A, single Phase • Colour : white colour & black combination • Mounting Option : Wall Mounting • Weight- 3.46 kg • Glue Board- 1 number along with unit • Warranty- 1 year warranty against any kind of manufacturing defects , Except UVA Lamps Application Area - Restaurants, Hotel, Food Processing Area, Food Packing Area, Pub, Office, Reception,Hospital, Warehouse HSN-85167920

	Insect Zapper FC215SS Stainless Steel (304 grade) Insect Zapper - Premium Model • Dimension : 19.5" X 4" X11.8" LWH • UVA Lamp : 18 inch long, 15W X 2 nos • Power Consumption :42 W Approx. • Input current : 230 V, 50 Hz • Mounting Options- Wall Mounting & Ceiling Mounting • Warranty: One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application- Sea Food Plant, Pharmaceutical Plant, Chemical Plant, Restaurants, Hotel, Warehouse, etc...
	Insect Catcher LFT115 (Silver) (Glue Board Fly Catcher system) Cabinet- GI metal with Powder coated • Dimension : 21.2" X 4.13" X 7.7" • UVA Lamp : 18-inch-long, 15W X 1 nos • Power Consumption : 20 W Approx. • Colours Available : Silver / white / Black • Mounting Option- Wall Mounting • Glue board-1 number along with unit • Warranty: One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application Area :- Cafeteria , Restaurants, Pub, Office, Reception
	Insect Trap NFT215 Glue Board Insect Trap Cabinet- GI Metal with Powder Coated • Dimension : 18.9" x 2.2" x 12.6" • UVA Lamp : 18-inch-long, 15W X 2 nos • Power Consumption : 35 W Approx. • Input Voltage- 220-240 V, 50HZ • Current- 5A, single Phase • Colour : Silver & black Combination • Mounting Option : Wall Mounting • Glue Board- 1 number along with unit • Warranty- 1 year warranty against any kind of manufacturing defects , Except UVA Lamp Application Area - Restaurants, Hotel, Food Processing Area, Food Packing Area, Pub, Office, Reception,Hospital, Warehouse

	Insect Zapper FC415BG Insect Zapper- Premium Model Cabinet- GI Metal with Powder Coated • Dimension : 19.5" x 4" x 15.75" LWH • UVA Lamp : 18 inch long, 15W X 4 nos • Power Consumption : 80W Approx. • Input current : 230V , 50 Hz • Mounting Options- Wall Mounting & Ceiling Mounting • Colour : Gray & Black combination. • Warranty: One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application Area- Supermarket, Ware houses, Meet shop, Loading Area Restaurant, Hospital, Canteen, STP Plant ,etc...
	Insect Zapper FC122 Insect Zapper - Premium Model Cabinet- GI Metal with Powder Coated • Dimension : 14" X 4" X14.6" LWH • UVA Lamp : Circular tube 22 W X 1 nos • Power Consumption :25 W Approx. • Input current : 230 V, 50 Hz • Mounting Options- Wall Mounting & Ceiling Mounting • Colour : white & Black combination. • Warranty : One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application Area- Supermarket, Restaurant, Ware houses, Meet shop, Loading Area, Hospital, Canteen, etc...
	Insect Zapper FC220SS Stainless Steel (304 Grade) Insect Zapper - Premium Model • Dimension : 24.5" x 7.3" x 14 LWH • UVA Lamp : 24 inch long, 18W X 2 nos • Power Consumption : 50 W Approx. • Input current : 230V, 50 Hz • Body Finish : SS304 • Mounting Options- Wall Mounting & Ceiling Mounting • Warranty: One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application- Sea Food Plant, Pharmaceutical Plant, Chemical Plant, Restaurants, Hotel, Warehouse, etc...

	Insect Zapper FC418WH Insect Zapper - Popular Model Cabinet- GI Metal with Powder Coated • Dimension : 24.5" x 4" x 18" LWH • UVA Lamp : 24 inch long, 18W X 4 nos • Power Consumption : 100 W Approx. • Input current : 230 V, 50 Hz • Mounting Options- Wall Mounting & Ceiling Mounting • Colour :White • Warranty: One Year Warranty Against any kind of manufacturing defects Except UVA Lamp. Application Area- Supermarket, Ware houses, Meet shop, Loading Area Restaurant, Hospital, Canteen, STP Plant ,etc...
